

## New directors step up to the mark

Sam Scanlon and Peter Wolfe are the two new directors replacing John Kennedy and John Sereni who retired at the recent AGM.

Sam has been a car parking volunteer for EDV Residents' Group since the start of the community roster and is the vice president of Eumundi & District Historical Assn, one of the three organisations which formed ECCO.

Peter is well known as a stall holder and his community contributions and for his Cedar Creek Farm bush foods business at Belli Park.

Peter and Sam were nominated by EHA for their directorships joining re-elected directors Bob Loudon and Louis Formosa from EDCA and Sue Langdon and John McCallum from the Chamber.

### COMMUNITY BUS

Following consideration of a background paper, directors are now planning to acquire a community bus to have multiple functions within the community. Members of the community are invited to express an interest in joining a working group to help set the priorities for the use of the bus and to develop operating guidelines for community use. Phone our Executive Officer on 0413 565 875 or email [info@eumundicco.com.au](mailto:info@eumundicco.com.au) by 10 November to express interest.
