

COME RIDE WITH US

It seems so long ago now that the idea of a community bus for Eumundi was first floated. But now the ECCO community bus is a reality; the wheels are firmly on! The community bus has been bought to provide community services. While we continue to wrestle with all the red tape for final accreditation, **ECCO needs your help** – in spades.

Issue 108 of *Eumundi Green* carried a flyer seeking feedback. The same flyer is carried again in this issue and we'd love to get your responses **by Friday, 17 December**. A very big thank you to all of those folk who have already completed and returned a questionnaire. We have only just started the analysis of your feedback but a shopping day to Noosa Civic is a standout preference.

WE NEED YOU, our community to tell us if you want a regular shopping service, where you want to shop, on what day and whether morning or afternoon.

WE NEED YOU, our community, to tell us if you want a regular medical services service, where you want to go, on what day and whether morning or afternoon.

WE NEED YOU, our community to propose other services which you see a need of which we may not be aware. There may be a need to offer a service which takes dancers to a class in Noosa Junction or athletes or sportspeople to a training session in Noosaville – please, **YOU TELL US!**

We have already identified a boutique need for locals to come into Eumundi on a Friday evening to dine or enjoy other forms of entertainment. We would really like you to use this service or suggest if you would like it more often or on another day.

Finally, while we have two fantastic drivers already and potentially a new volunteer in the wings, more services means the need for more drivers if only for the odd event or occasion or as backup in an emergency. So if there are community heroes who hold the relevant licence and would like to make a valuable contribution to the community even if only infrequently, **please let us know – soon!**
