EUMUNDI FAMILY MEDICAL CENTRE

The Eumundi Family Medical Centre is now operating. To make it the success ECCO anticipates, all members of the community are urged to adopt the Centre as your preferred General Practice provider. We need you to make full use of the Centre for us to be able to fulfill the objective of expanding the range of services on offer and become the hub around which a broader range of services are developed over time.

AUSTRALIAN BODY ART CARNIVALE

Events are the life-blood of tourism. They are the vehicle which generates the publicity to remind potential visitors that a destination exists. And so it is that Eumundi hosts the Body Art Carnivale. It complements ECCO's *Experience Eumundi* marketing campaign and keeps Eumundi at the forefront when visitors are deciding where to venture.

ECCO salutes the organising committee and the 150 plus volunteers who made the Body Art Carnivale 2011 such a success and is proud to have been able to support the event by dedicating Saturday afternoon and Sunday parking takings to the event using Body Art volunteer attendants.
