

Eumundi Combined Community Organisation Ltd

Practice Nurse – Eumundi Family Medical Centre

Casual work available early May for experienced nurse for medical practice expected to re-open on 9 May. Nursing duties are in a well equipped treatment room facility assisting with minor procedures, dressings, pap smears, immunisations, sterilisations, wound management, child and adult health and care plans.

Hours for this position are in the first instance casual and then negotiable. Award rates of pay apply.

The successful applicant will be a nurse with experience as a Practice Nurse and or have relevant clinical expertise. Ideally, the successful applicant will hold an immunisation certificate and/or pap smear certificate with sound knowledge of chronic diseases. The ability to generate income for the Centre, to work well with a small team, to demonstrate strong community values and to communicate well are all highly desirable.
